WARRANT

STATE OF MAINE,

WALDO, ss.

To FRANK A. LITTLEFIELD, Constable of the town of Monroe in the County of Waldo, GREETINGS:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of said town of Monroe, qualified to vote in town affairs to assemble at the town house in said town on Monday, the 5th day of March next, at ten o'clock in the forenoon to act on the following articles, to wit:

Art] 1 To choose a moderator to preside at said meeting.

Arr. 2. To choose a town clerk.

Art. 3. To choose three or more selectmen.

Art. 4. To choose three or more overseers of poor.

Art. 5. To choose three or more assessors of taxes.

Art. 6. To choose a town Treasurer.

Art. 7. To choose one member of school committee.

Art. 8. To choose an auditor of accounts.

Art. 9. To see if the town will vote to have more than one road commissioner.

Art. 10. To choose a collector of taxes, and agree what per cent to pay him for collecting the same.

Art. 11. To choose one or more constables.

Art. 12. To choose three fence viewers.

Art. 13. To choose a fire ward.

Art. 14. To choose all other town officers necessary.

ANNUAL REPORT

Art. 15. To see what sum of money the town will vote to raise for support of common schools.

Art. 16. To see what sum of money the town will vote to raise for repair of schoolhouses.

Art. 17. To see what sum of money the town will vote to raise for text-books.

Art. 18. To see what sum of money the town will vote to raise for school supplies and apparatus.

Art. 19. To see what sum of money the town will vote to raise to purchase flags for school buildings.

Art. 20. To see what sum of money the town will vote to raise for the repairs of highways and bridges.

Art. 21. To see what sum of money the town will vote to raise for graveling roads.

Art. 22. To see what sum of money the town will vote to raise for paying snow bills.

Art. 23. To see what sum of money the town will vote to raise for support of poor and town farm.

Art. 24. To see what sum of money the town will vote to raise for incidental expenses.

Art. 25. To see what sum of money the town will vote to raise for free high school.

Art. 26. To see if the town will vote "yes" or "no" on the question of raising and appropriating the money necessary to entitle the town to State Aid as provided in Sec. 20 of Chap. 130 of the Public Laws of 1913.

Art. 27. To see if the town will vote to appropriate and raise the sum of \$533.00 for the improvement of the section of State Aid Highway as outlined in the report of the State Highway Commission in addition to the amounts regularly raised for the care of ways, highways and bridges, the above amount being the maximum

which the town is allowed to raise under provision of Sec. 19 of Chap. 130 of the Public Laws of 1913.

Art. 28. To see if the town will vote to continue the Ford school or take action relating thereto.

Art. 29. To see if the town will vote to raise the sum of fifty dollars to be expended under the direction of the school committee and Superintendent of schools to purchase clothing for needy children who would otherwise be unable to attend school.

Art. 30. To see if the town will vote to raise \$200.00 to raise the bridge near the Albert Cilley place so-called.

Art. 31. To see what sum the town will vote to raise to rebuild the bridge near Fred Coffins place.

Art. 32. To see if the town will vote to raise \$133.00 to pay the Central Maine Power Co. for wiring the Town Hall.

Art. 33. To see what sum of money the town will vote to raise to equip the town hall with fire escapes.

Art. 34. To see what sum of money the town will vote to raise to repair the road from the corner near John Knowlton's to Newcomb's Mill.

Art. 35. To see what sum of money the town will vote to raise to repair the road on the Leroy Mansur hill so-called.

Art. 36. To see what sum of money the town will vote to raise to remove a stone wall on road between Hiram Ides' place and John H. York's.

Art. 37. To see what sum of money the town will vote to raise to repair the village bridge.

Art. 38. To see what price the town will fix on letting the Town Hall for entertainments, and to see if the town will vote to make a special price to the High school.

ANNUAL REPORT

Art. 39. To see what sum of money the town will vote to raise to repair the town farm buildings.

Art. 40. To see if the town will vote to have the funds deposited with the town for care of burial lots, placed in the bank at interest, the interest to be used for care of the lots.

Art. 41. To see what price per hour the town will vote to fix for men and teams for labor on highway.

Art. 42. To see what sum of money the town will vote to raise for street lights.

Given under our hands at Monroe this 12th day of February, A. D., 1917.

O. B. DOW,

F. E. SARGENT,

E. T. GILBERT,

Selectmen of Monroe.

Report of Superintendent of Schools

*To the Superintending School Committee and the Citizens
of the Town of Monroe:*

I hereby submit to you my second annual report as superintendent of your schools.

First I wish to thank you for the generous amount raised for Common Schools at your annual meeting. The committee have been able to provide all conveyance necessary during the past year and maintain the number of weeks in the school year that is required by law without an overdraft. I believe the next step should be to either increase the length of the school year or raise the salary of the most efficient teachers in order to retain them in the town. It is poor business policy for Monroe to train teachers for other towns. During the past year more than half the teachers employed were without either training or experience. While they have worked hard and done their best a great deal of valuable time has been wasted in their learning how to teach efficiently.

Teachers' meetings have been held as often as practical which most of the teachers have attended. The meetings serve the double purpose of keeping the teachers interested and improving their methods of teaching.

The Snellen Ear and Eye test has been given in all of the schools and attention of the parents called to any cases that needed medical attention. In one case the

committee purchased glasses for a pupil that needed them badly. I hope that in the near future medical inspection will be required in the schools so that the health of the pupils may be more carefully looked after.

A copy of Lincoln's Everyday Pedagogy has been placed in every school. This has been a great help to the inexperienced teachers. The book is as practical as the name indicates.

To improve the writing all teachers were required to take the Palmer Course in penmanship that is given by mail. The high cost of paper made it necessary to discontinue the course after a time but a great deal was accomplished during the time it was given. The cost of paper is quite a problem and all teachers have been cautioned to use as little as possible. This interferes some with the efficiency of the work but it is necessary. I am contemplating the purchase of some noiseless slates which I think can be used to good advantage and save a good deal of paper.

A little drawing has been taught in the schools on Friday afternoons. This has been found to be both pleasant and profitable. Those teachers who have the ability have been encouraged to teach a little music also.

TEXT BOOKS

The schools are quite well supplied with text books. A large dictionary has been bought for all the schools that were without one and also a set of maps. Globes should be provided next. A plan of the books that were best adapted for the different grades was carefully made out during the summer and a copy given each teacher. This has been a great help in the grading of the schools.

and also to the teachers. Plan books have been provided for each teacher in which a record of the terms work can be recorded. This is a great aid to the new teachers. If funds were available a few reference books should be purchased for the high school.

ATTENDANCE

The attendance for the Spring and Fall terms was very good. On account of the severe weather it was quite irregular during the Winter term. It was found that many pupils did not have proper clothing and it seemed unwise to force them to attend. An article will appear in the warrant asking the town to raise a fund with which proper clothing can be purchased. I hope this will be acted upon favorably. Quite a sum of money is spent in maintaining the schools and the pupil should get all the benefit from it that is possible.

HIGH SCHOOL

Excellent work is being done at the High School. Mr. Whelan is a young man of excellent scholarship and has worked hard for the interests of the school. Both the English and Classical courses are given and the standard of the school is such that Mr. Hamm was able to enter the State University on a certificate. The greatest drawback to the school is that many pupils enter the school poorly prepared to do the work.

REPAIRS

The severe hail storm in the summer damaged some of the school buildings to quite an extent. All available

money had to be used in repairing the damage and an overdraft was necessary. I want to urge upon the taxpayers the necessity of raising the amounts recommended by myself and the committee. Remember that there are ten buildings in town on which repairs have to be made and if only a hundred dollars is raised very little can be done. The cleaning and banking of the buildings come out of the repairs account. The cost of material and labor is increasing each year, the buildings must be repaired and the sooner it is done the more economical it can be done. If it is economy for the individual to keep his buildings in good repair it certainly is for the town.

Three hundred and sixty dollars was received from the State Equalization Fund for permanent repairs on school buildings. This has been expended in putting new floors and desks in the Clark, Center and Dow schools. The money must be expended under the direction of the State and a report made of what it has been expended for nor can it be used for any other purpose than permanent improvements.

In closing let me again urge that the amounts recommended for school purposes be raised. No greater amount is asked for than is actually needed. The committee will see that it is expended wisely. Thanking all who have aided in making the schools a success for the past year this report is

Respectfully submitted,

RAY ROBINSON,

Superintendent of Schools.
